QUALITY ON THE MOVE

## Five-year warranty

Alcoa warrants to the original purchaser that a new Alcoa aluminium disc wheel is free from defects in material and workmanship. Alcoa agrees to replace without charge a wheel that fails in normal use and service because of defects in material or workmanship within sixty (60) months of the date of manufacture as shown on the wheel.

Alcoa does not warrant and will not replace any wheel which has been subjected to misuse or abuse including, without limitation, the following.

Using a tyre which is oversized according to standards recommended by the European Tyre and Rim Technical Organisation.

Loading the wheel beyond the applicable maximum wheel load as specified by Alcoa;

Inflating beyond the applicable maximum as specified by Alcoa.

Changing the original condition of the wheel by alteration or by subjecting it to any processing, such as welding or straightening.

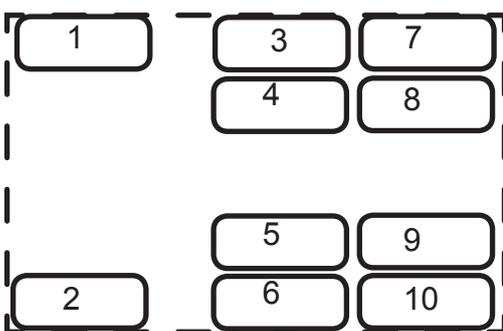

There is no warranty that the wheel shall be merchantable or satisfactory for any particular purpose, nor is there any other warranty expressed or implied, except such as is expressly set forth herein. Alcoa shall not be liable for any incidental or consequential damages for any breach of warranty, its liability and the purchaser's exclusive remedy being expressly limited to replacement of the wheel as herein provided. Replacement will be handled by any authorised Alcoa wheel distributor or by any Alcoa sales office. This warranty gives you specific legal rights. You may also have other rights under other applicable laws.
