I declare that I am a heavy vehicle specialist certifier engineer and I hold a current valid appointment. I certify that a
the time of inspection this vehicle component design and this certification comply in all respects with the Land Transport Rule: Vehicle Standards Compliance 2002; my Notice of Appointment and applicable requirements. To the
best of my knowledge the information contained in this certificate is true and correct.
Heavy Vehicle Specialist Inspector Signature: Date: 11/02/2022
Promech Conditions of Contractual Engagement :
ACENZ / IPENZ Conditions of Engagement Apply (Conditions are available on request, standard form No. 1-038). The liability of the certifier to the
client in respect of his / her services for the project shall be limited to five times the value of the Promech Consultants fee.  The client will also indemnify the Consultant for any damages, loss or costs the Consultant, as a result of providing the services, must pay or suffe
under its Deed of Appointment with the Director of Land Safety to be a Heavy Vehicle Specialist Certifier. However, this indemnity will not apply to
the extent that the damages, costs or loss are due to any breach by the Consultant of its common law duty of care to the Director when performing its obligations under the Deed of Appointment.
The client understands that all correspondence and communication regarding work to be carried out is a recommendation by the individual Certifie
for standards compliance only and not an instruction to the engineering workshop to carry out the work.  The client should discuss any concerns regarding this certification with the Certifier or submit a formal written complaint, including the date and
Promech job number or description to the attention of the Certifier identified above. The client may appeal to the NZTA if dissatisfied with
any matters related to the certification.
